** *Project before 1999: Actual rent charged to tenant - No utility allowance adjustment made unless project specifically requires it.*

NEW Multifamily Housing Bond rent/income limit calculation guidelines

Multifamily Housing Bond rent/income limits were formerly calculated using HUD's HOME limits. New calculation guideline from the Housing and Economic Recovery Act of 2008 will be used for all Multifamily Housing Bond rent/income limit calculations going forward. The Housing and Economic Recovery Act of 2008 states Multifamily Tax Subsidy Projects (MTSP) Income Limits were developed to meet the requirements established for projects funded with tax credits authorized under section 42 of the Internal Revenue Code and projects financed with tax exempt housing bonds. <https://www.huduser.gov/portal/datasets/mtsp.html#2022>
