

The Los Angeles County Development Authority's (LACDA) Rent Adjustment Request form has recently been updated to include information regarding State and local rent control laws. The revised form is now available on the owner portal and on the LACDA website in the Owner Resources section.

Effective April 1, 2026, prior versions of the form are no longer accepted. Please be sure to discard any pre-printed copies that you may have and use the updated version for all future submissions to ensure accuracy and timely processing.

Should you have any questions or need assistance locating the form, please call (626) 262-4510.

IMPORTANT ANNOUNCEMENT

HOUSING RIGHTS WORKSHOP

Santa Clarita Tenants and Landlords
June 2, 2026, 6:00 p.m. - 7:30 p.m.

LET'S TALK

The Owner Engagement Hour occurs twice a month and provides an opportunity to ask LACDA staff about general Program questions. Expert staff are available to provide information regarding:

- Request for Tenancy Approval Process;
- Requesting a Rent Increase; and
- LACDA Incentives.

Wednesday, June 3, 2026

10:00 A.M. - 11:00 A.M.

Teams Link: <https://bit.ly/4dF88CJ>

Wednesday, June 17, 2026

3:00 P.M. - 4:00 P.M.

Teams Link: <https://bit.ly/4sjhifu>

Questions? (626) 586-1984 opendoors@lacda.org

Thursday, June 18, 2026

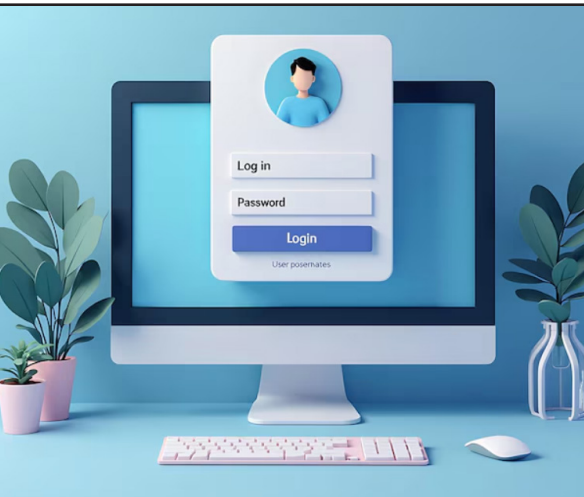

11:00 A.M. - 12:00 P.M.

Workshops are designed to provide participant families and owners an opportunity to learn about the LACDA's rental assistance programs offered. Join us to learn how to apply for owner incentives.

Register in advance for this Teams meeting at:
<https://bit.ly/4tG1Qqs>.

Once registered, a confirmation email will be sent with further instructions.

For more information, please call (626) 943-3841 or email Dominic.Vargas@lacda.org.

Rent Stabilization
County of Los Angeles
[Rent Registry FAQs](#)

Property owners leasing housing units in Los Angeles County may be subject to one or more rent stabilization or tenant protection ordinances. This includes the Los Angeles County Rent Stabilization and Tenant Protections Ordinance (RSTPO), the California Tenant Protection Act of 2019, and local city ordinances. Owners must adhere to all applicable ordinances when requesting a rent increase and/or terminating a tenancy as the LACDA will not approve requests that do not adhere to an applicable ordinance(s). When submitting a rent increase request, owners will be required to submit a copy of a 60-day notice to the tenant and any other documents required by the applicable ordinance(s). It is imperative that owners and the LACDA's rental assistance programs adhere to local ordinances.

Los Angeles County's RSTPO - The Los Angeles County RSTPO limits annual rent increases (for rent-stabilized units only) based on changes in the Consumer Price Index (CPI) and provides tenants protections from evictions without just-cause for residential rental units in the Unincorporated Areas of Los Angeles County. On or before September 30th of each year, an owner must register each unit, unless fully exempt, that is rented or is available for rent in the County's Rent Registry system.

For more information regarding the RSTPO requirements, visit <https://bit.ly/42Tqo3z> or call (800) 593-8222.

SMOKE DETECTOR GUIDELINES

The Public and Federally-Assisted Housing Fire Safety Act of 2022 (Act) requires all Public Housing Agencies to enforce the installation of smoke alarms with 10-year non-replaceable batteries where hardwire alarms are not already installed. The Act requires a qualifying smoke alarm installed in each level, and in, or near, each sleeping area in such dwelling unit, including in basements (except crawl spaces and unfinished attics), and in each common area in a project containing such a dwelling unit.

Smoke Alarm Guidelines

1. Smoke alarm is hardwired.
2. Smoke alarm uses 10-year non-replaceable primary batteries and:
 - is sealed;
 - is tamper resistant;
 - contains a silencing means; and
 - provides notification for persons with hearing loss.
3. In the case of a dwelling unit built or substantially rehabilitated after the date of enactment of this paragraph, smoke alarm is hardwired.
