

HOUSE NOTES

A MONTHLY PUBLICATION FOR SECTION 8 PROPERTY OWNERS

JUNE 2024

County of Los Angeles Rent Stabilization and Tenant Protection Ordinance

The Los Angeles County Rent Stabilization and Tenant Protections Ordinance (RSTPO) is a local law that limits annual rent increases (for rent-stabilized units only) based on changes in the Consumer Price Index and provides tenants protections from evictions without just-cause for residential rental units in the unincorporated areas of Los Angeles County. On or before September 30th of each year, an owner must register each unit, unless fully exempt, that is rented or is available for rent, in the County's Rent Registry system or on a form approved by the Los Angeles County Department of Business and Consumers Affairs.

Property owners and tenants may access the Los Angeles County Rent Registry to register and/or verify coverage at www.rentregistry.dcba.lacounty.gov.

NOTICE: EFFECTIVE MAY 1, 2024

The Los Angeles County Development Authority (LACDA) began monitoring the Los Angeles County RSTPO requirements that owners must adhere to when requesting a rent increase and/or terminating a tenancy. It is imperative that owners and the LACDA's rental assistance programs adhere to local ordinances, especially when they are designed to promote long-term stability and security for tenants in the rental market while providing owners a fair and reasonable return on their property.

Apply Now: FREE Lead-Based Paint Remediation

Owners of multifamily properties with five or more units may be eligible for up to \$25,000 per unit for the remediation of lead-based paint hazards in the interior and exterior of units, and health and safety improvements. The costs of the lead-based paint inspections as well as all construction activities (including relocating your tenants if necessary) to remove any identified hazards are **100% covered**.

Enrolled properties will receive free testing for chipping or peeling lead-based paint hazards. If any hazards are found, the remediation program will provide the certified contractors, all materials, and inspection services to remediate lead-based paint hazards inside and outside of your units and other related repairs that caused the lead-based paint to deteriorate.
