## 40 YEARS OF BUILDING BETTER LIVES AND BETTER NEIGHBORHOODS

On October 20, 2022, the LACDA commemorated its 40<sup>th</sup> anniversary of serving as an established, trusted community leader within the County family, in its core areas of housing, community, and economic development.

In 1982, the Los Angeles County Board of Supervisors consolidated three entities – the Housing Authority, the Community Development Department, and the Redevelopment Agency – to form the Community Development Commission (CDC). On May 16, 2019, the agency was rebranded as the LACDA.

Currently headquartered in Alhambra, the agency's wide-ranging programs benefit residents and business owners in the unincorporated Los Angeles County areas and in various incorporated cities that participate in different programs.

Through the years, the agency has made a difference in the lives of residents by preserving single family homes, creating affordable rental housing opportunities for veterans, families, and persons experiencing homelessness; administering over 26,000 Housing Choice Vouchers (HCV) and other special purpose housing vouchers; managing and maintaining 3,229 public and affordable units; funding and constructing parks, libraries, and other public facilities; and providing support to help businesses – small and large – start up or continue their success.

## HOUSING CHOICE VOUCHER PROGRAM PARTICIPANTS - YOUR VOICE COUNTS

Have you ever wondered why the LACDA operates the way it does? Would you like to share your concerns or ideas about our policies and procedures? The LACDA is recruiting volunteers for their Resident Advisory Board (RAB) Committee that will assist with the 2023 Annual Plan process.

The RAB provides an opportunity for HCV Program participants to provide input on new policies and plans. As a RAB Committee member, all you have to do is attend a minimum of one meeting per year that takes place in mid-November. If you wish to volunteer for this year's committee, you may email [HADCompliance@lacda.org](mailto:HADCompliance@lacda.org), to express your interest before November 4, 2022. Be sure to include your name, t-code, contact phone number or email address, and any questions you may have. An LACDA representative will contact you with details of your role as a RAB Committee member.

## TENANT WORKSHOP

Workshops are designed to provide participant families and owners an opportunity to learn about Section 8 Housing Choice Voucher Program requirements that may affect rental assistance.
